

2020 OAK RUN BOAT REGISTRATION PROCEDURES AND GUIDELINES

1. Registration of four (4) **motorized** watercraft will be allowed **per lot**:
 - Limit of two (2) watercraft in the 26 horsepower or more (& jet skis) category
 - Limit of two (2) watercraft in the 1-25 horsepower categoryThere is no limit on **non-motorized** watercraft registration.
2. Minimum watercraft personal liability insurance in the amount of **\$300,000** and minimum watercraft property damage liability insurance in the amount of **\$50,000** must be in force for the entire duration that all registered **motorized** watercraft(s) will be used on the lake at Oak Run.
3. The registration application with the Insurance Covenant for Watercraft Registration and Indemnification Agreement **must** be signed by the property owner before boat stickers will be issued. (Copy of insurance certificate is not required.)
4. **A copy of the current State Watercraft Registration Card for each watercraft to be registered is required.** All watercraft on Spoon Lake **must** have current registrations, in accordance with state laws.
5. All watercraft to be registered at Oak Run must be titled and insured **in the property owners' name**.
6. **No guest boats** are allowed at Oak Run **ANY TIME**.
7. 2020 boat stickers **must** be displayed by **April 1st, 2020**, and are valid through March 31, 2021.
8. Please remove all expired Oak Run boat stickers. Altered stickers will not be permitted.
9. No watercraft will be registered that contains a head facility or porta-potty.
10. The maximum allowed length of watercraft on Spoon Lake is **25** feet, except pontoons, which are **28** feet.
11. There is a \$10.00 charge for replacement boat stickers. If a new boat is purchased during the year and you want to transfer your stickers; return the original boat stickers, and there will be a \$10.00 fee (plus class difference if there is an increase) for the new stickers. If the original stickers are not returned, the regular registration fee will be charged for new stickers.
12. All watercraft must be equipped with an underwater exhaust system and operated in the underwater mode at all times.
13. **All persons born after January 1, 1998, MUST take and pass a boating safety course validated by the Illinois Department of Natural Resources** and hold a valid Illinois Boating Safety certificate before they can operate a motorboat or PWC (personal watercraft) powered by a motor on the waters of Spoon Lake. Persons age 12 to 14 may operate a vessel powered by a motor only if they are supervised by an adult who has a valid certificate, and those who are 15 years of age and older must have an Illinois Boating Safety certificate or have supervision of a certified adult.
14. If you are towing a skier or tuber, you **MUST** display a bright orange flag (min 12" per side). The flag must be placed at the highest point of the boat that is towing, so it can be seen from all directions. The flag must be displayed **continuously** until the activity has ceased and the skier or tuber has re-entered the boat.
